to the end of his buck, and he know The city was too hot for him tions of the warth beganned to He was secretly proporting for immediate flight, collecting each from every ource. On the day when he hind Leigh in the one at the lumb, he was there for the purpose of drawing down his account It was natural that a man so cir-

mustimeed should take a chance for seigh's check, and that he should dopt marsons methods. Any villato vas trustworths, and any measure was rundent for Verma provided that be trayal and discovery could be post poned till Monday afternoon. Beyond that point nothing mattered except the ancress or failure of his plan for a complete disappearance. He was being shadowed by three detectives, and had bribed them all. They really pald no attention to his movements; they made their daily reports at his dictation. The leash was ound of the devil and he followed his last quarry with the pack in full cry.

While Leigh was in the bank, after the teller had refused to cash the check, and again while he was lookng for Reeves in the botel, Verga had Returning From New York Says Oklahoma Oil Game

Is Best in Sight

Tulsa, Nov. 24.—Harry Sinciair in Tulsa yesterday, direct on New York and the off reject s mighty gind to see him come, see siways something doing when at sincialr is on the job and from toon the big concern will be in the

He arrived in time to hear the good news from the Scioto Ou comsany Oglesby and Gaibraith well i Morris field, which was shot an making 600 or 700 barrels of oil, which since Mr. Sinclair has been away, is op rom 80 cents to \$1.00 a barrel.

He is well pleased with the outook and would not leave Oklahoma under any consideration believing that here will be the best times ever experienced in any oil field. He is at ways conservative and mentions the fact that the market will boom - u ss a new pool is found somewhere "As it Is," said Mr. Sinclair, condiffions all point to a better market than we have ever had and I am glaa note that everybody in the o came in Oklahoma is happy." Big News Coming

Later on there will be something new to report and will be of great in most of his work was some white terest, but as Mr. Sheintr smilling teigh and Marjorie were at the feed large to give me time to get stated, "you newspapermen Tills was a matter of had a bed the breath

gray car did not stand tile to was. Mr. Sinciair likes Mexico and bevery busy during this later in The beves it is the coming oil field. much features of the combined beautifur as production is concerned, t -iiii has great faith in Oklahema iing the center of activity for year

here (and will demonstrate to his friends and admirers that he is on also of big things and is right t times out of ten, on any question public policy. These who were at opera house last spring when Mr Sinclair advocated storing oil is tools will remember that he his fight pretty much alone, and re-

We've Come to Stay

The Anheuser-Busch Brewery in St. Louis owns the New State Ice Plant in this City. The brewery's local ice plant has lost so much business since our arrival they see fit to cut the price to prevent further loss.

Compare their prices and methods prior to our arrival with treatment accorded by us??

We will meet any price they make. We appreciate your business. Did they before we came??

Don't load up on books—Ice may be cheaper.
